REDWOOD/AEMARSH/OPERATIONAL

AEMARSH/15

REF: EGFA-21840, 19 May 1958

ACTION REQUIRED: Notify ☐ ☐ of name by which ☐ ☐ known to AEMARSH/15.

1. Judging from reference AEMARSH/15 appears to be an enterprising individual, but on the basis of our current operational assets in the AEMARSH field and the upcoming assessment of ☐ ☐ (see OSSA-7395, 23 May 1958) we prefer not to make any real approach to AEMARSH/15 at this time. However, we would like to keep AEMARSH/15 in reserve for future Station use if ☐ ☐ does not pan out, or as a possible source of information through occasional contact. To this end, it would be helpful if AEMARSH/15 could be informed that he might be contacted sometime in the future by some of ☐ ☐ friends. Whatever case officer would contact him could simply state that he is a friend of ☐ ☐ by using whatever name ☐ ☐ is known to AEMARSH/15.

2. As far as paragraph 8B, reference, is concerned, the ☐ ☐ Station has been working on these developments. The April and 3 June trips never materialized because there were not enough persons interested to initiate the tour. We are checking now to see whether the 24 June trip is underway.

3. Identity D to reference is Edgars DIMITERS, born 9 October 1918, who resides at Essingetorget 42, Stockholm. Identity E is apparently the wife of Arvids *OSE (born 5 December 1896, Riga, Latvia) (Headquarters, see biographic sketch in enclosure 1, OSSA-6998, 4 February 1958, and paragraph 2, OSSA-7004, 7 February 1958). Unfortunately, we do not have any other identifying data on her.
